## Chapter 1. Installation Instructions

The following instructions are for creating an account on Mathworks and installing MatLab. This document is for ULB students and staff members that have ordered a licence from the webshop at <https://sisc.ulb.ac.be>.

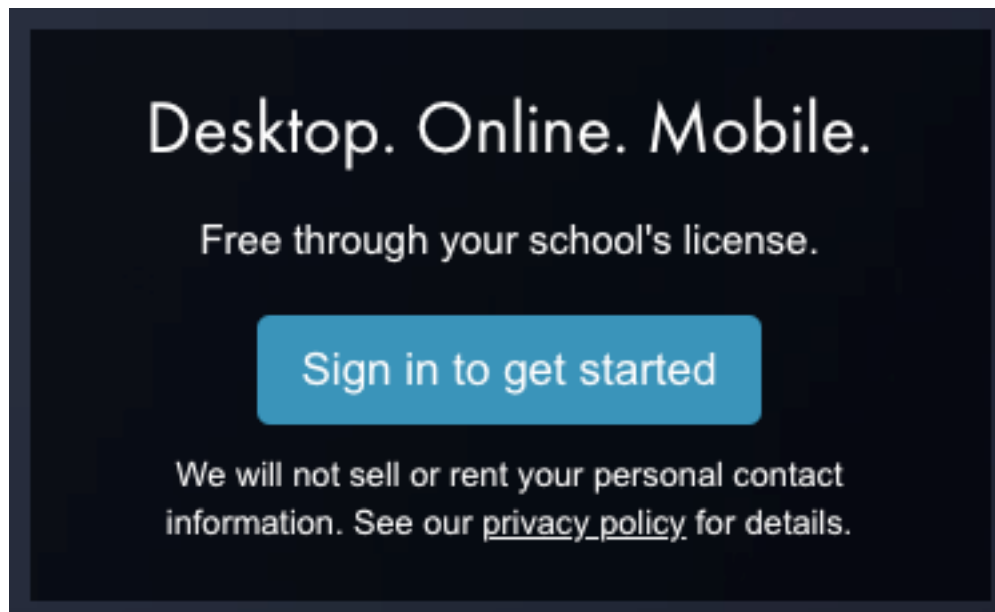

**If you need licences for multiple machine (e.g. classroom and lab computers), contact ULB - Support.**

### Create Mathworks account

**Note:** If you already have a Mathworks account from the previous academic year, you can skip the *Create Mathworks Account* procedure, and login with your Mathworks account immediately.

Direct your browser to the Mathworks-website at <https://www.mathworks.com/academia/tah-portal/universite-libre-de-bruxelles-31487492.html>.

Click the sign in button :

Log in with your ULB NetID and password.

**Identifiez-vous**

**LOGIN**

- La page demandée est sécurisée. Veuillez vous connecter avec votre NetID et votre mot de passe ULB.

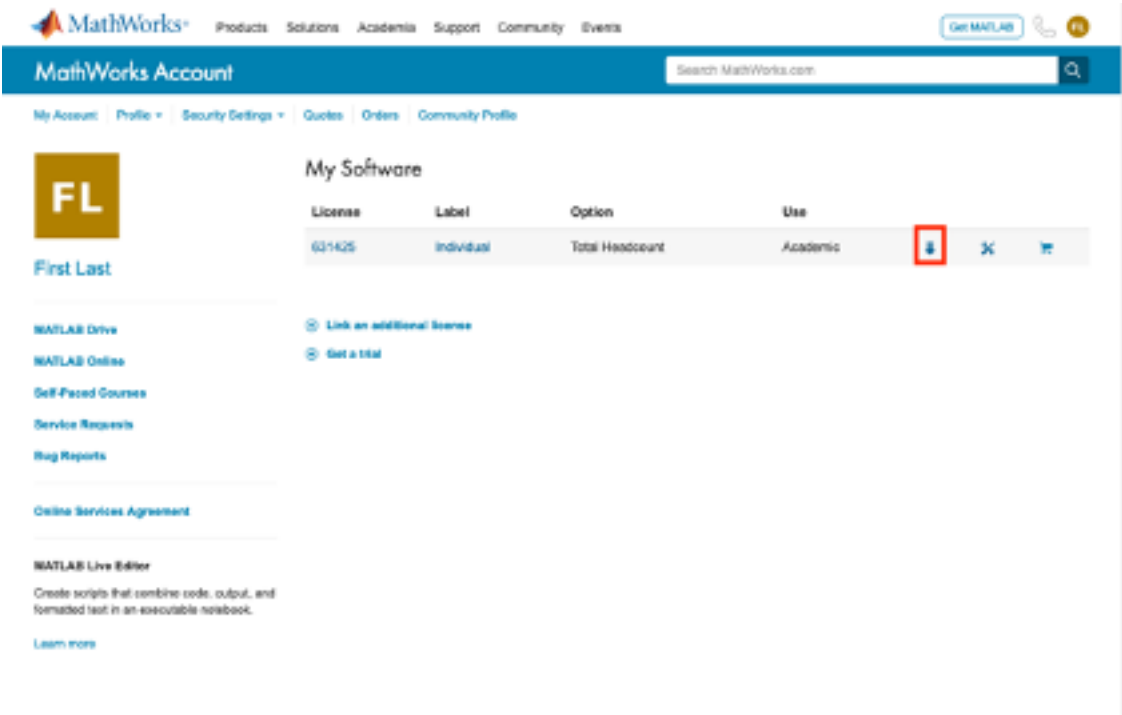

Si vous n'avez pas de NetID ou si vous rencontrez des difficultés vous pouvez contacter [Le support ULB](#).

- The requested web page is secured. Please log in with your ULB NetID and password.

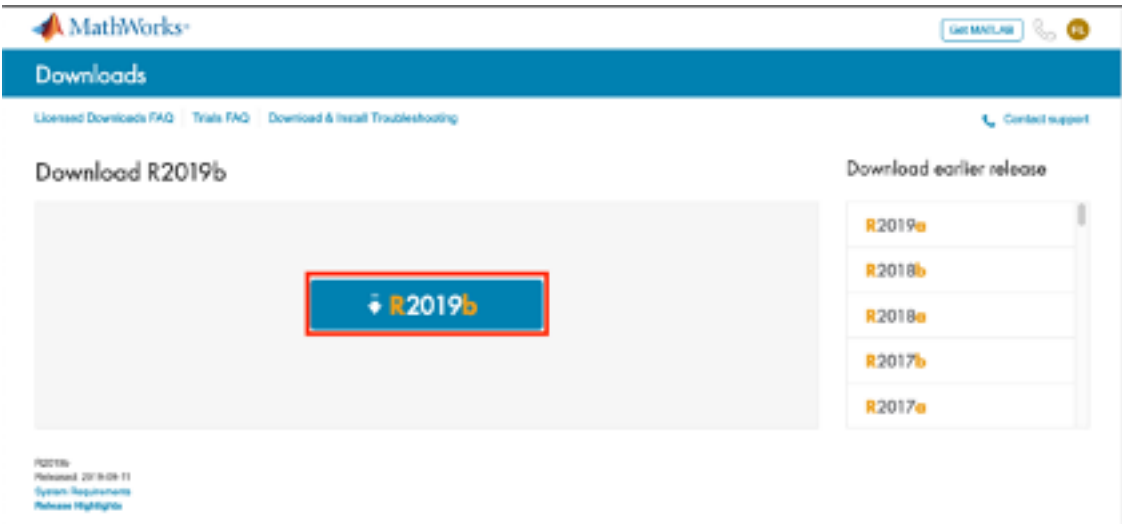

If you do not have a NetID or if you experience technical difficulties, please contact the [ULB ICT-Helpdesk](#).

# MatLab

Go to your account and click the arrow next to your licence:

Click the **Download** button. We recommend to always download the latest version:

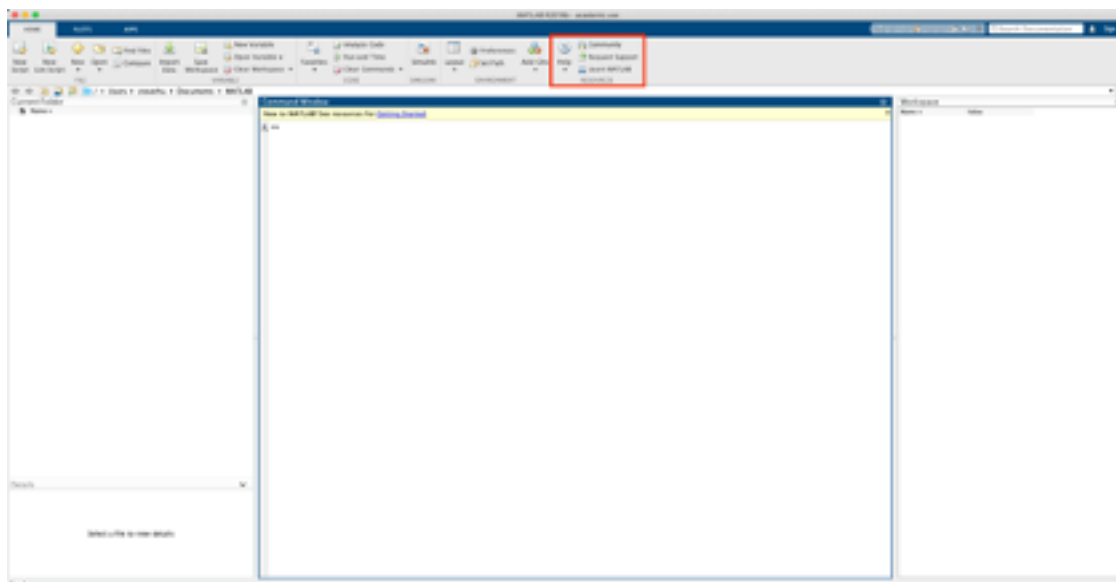

## Installing MatLab

1. Double-click the file that you downloaded.
2. Choose **Log in with a Mathworks account**.
3. Accept the Licence Agreement.
4. Enter your *ULB NetID* and *password*.
5. Select licence **40906499 - Individual License**.
6. Select all the required toolboxes.
7. Follow the instructions that appear on the screen.
8. Select **Activate MatLab**.
9. Enter your username for the PC. Only this user will have rights to run MatLab.

## Chapter 2. Licence Renewal

1. Launch MatLab.
2. On the MatLab tool strip in **Resources**, click the down arrow under **Help**.

- ### 3. Click **Licensing**.

4. Select **Update Current Licenses** and follow the prompts to update your licence.

## Chapter 3. Using the MatLab ONLINE version

Once you have created your Mathworks account and have associated yourself with our licence, you can also use the online version of MatLab.

Point your browser to: <https://matlab.mathworks.com/>

Log in with your ULB credentials and you can start to work with MatLab ONLINE.

## Chapter 4. Support

For purchasing information, problems regarding installation, and authorization codes, please contact **ULB - Support** at <https://support.ulb.be/>.
